TERRY CUP

Co-ed Charity Softball Tournament

April 10, 2010

9 a.m.-12 noon

The Terry Cup Softball Tournament began in 2000 as a way for organizations in the Terry College to give back to the Athens community. All funds are used either on the tournament or given to charity. Past winners include MIS Society, Alpha Kappa Psi, Faculty/Staff, Leonard Leadership, and MBA. If your organization can field a team, please submit this form to the International Business Programs office by February 26, with your team's \$220.00 Terry Cup registration fee (payable to International Business Society). Registration includes up to 12 tournament day t-shirts and lunch, as well as a donation to the winning team's charity of choice. In addition, the winning team will have their name engraved on the official Terry Cup and will receive a game ball trophy to keep.
