Aflac	Internships, Graduates, MBAs	<a href="http://www.aflac.com">http://www.aflac.com</a>	We are the duck. We inspire and are inspired, listen and respond, empower our people, give back to our community, and most importantly, celebrate every success along the way. We do it all ... The Aflac Way. Aflac, a Fortune 500 company, is an industry leader in voluntary insurance products that pay cash directly to policyholders and one of America's best known brands. Aflac has been recognized by Fortune magazine as one of the 100 Best Companies to Work For in America for the twelfth consecutive year in February 2010 and as one of America's Most Admired Companies for the ninth consecutive year in March 2010. Our business is about being there for people in need. So, ask yourself—are you the duck? If so, there's a home—and a flourishing career—for you at Aflac.

All Risks Ltd

Internships,  
Graduates

<http://www.allrisks.com>

All Risks, Ltd. was formed as an excess and surplus lines facility in 1964 in Baltimore, Maryland. While we have since expanded into additional territories and product lines over the past 45 years, our business is written exclusively through retail agents and brokers. We are independent. All Risks has been the fastest growing, and one of the largest privately held wholesale brokers in the country for over 10 years. Our goal is to build our company with ambitious people who reflect the following values: HONESTY, HONOR, HARD WORK, ETHICAL BEHAVIOR, COURAGE, COMMITMENT, PROFESSIONALISM, LOYALTY, COLLABORATIVE PARTICIPATION, ENTREPRENEURSHIP and POSITIVE ATTITUDE.

Amica Mutual Insurance

Graduates

<http://www.amica.com>

As the oldest mutual insurer of automobiles in the nation, Amica has been protecting drivers for more than 100 years. We're very proud of our history, our employees and our unprecedented customer service record. We have implemented cutting-edge technologies to expedite our services. However, building personal relationships with our customers is the core of Amica's business philosophy. We boast an industry-leading customer retention rate, with more than one-third of our customers staying with us for 20 years or more, and thousands staying with us for an amazing 50 years or more. In the J.D. Power and Associates 2010 National Auto Insurance Satisfaction Study, Amica ranked "Highest in Customer Satisfaction Among National Auto Insurers, 11 Years in a Row." Also, Amica ranked "Highest in Customer Satisfaction Among National Homeowner Insurers, Nine Years in a Row," in the J.D. Power and Associates 2010 National Homeowners Insurance Study. Our employees come from a rich variety of backgrounds, bringing to us their strengths, abilities and unique perspectives. This vibrant mix of individuals then works together daily to make service to policyholders the top corporate goal throughout the company. In return for this commitment from employees, Amica provides a rewarding work environment that recognizes the diverse needs of every member. A generous total compensation

package is just one of the advantages of working for Amica. We are always looking for individuals who are eager to commit their energy and creative talents to careers with Amica. We are an equal opportunity employer that celebrates diversity in our workplace, as reflected in our Equal Opportunity Policy. Amica received the highest numerical score in the proprietary J.D. Power and Associates 2000-2010 National Auto Insurance Studies.SM 2010 Study based on 25,227 responses from policyholders of 46 insurance carriers who were surveyed during February and March 2010 about their experiences and perceptions. Amica also received the highest numerical score in the proprietary J.D. Power and Associates 2002-2010 National Homeowners Insurance Studies.SM 2010 Study based on 12,967 responses from policyholders of 29 insurance carriers who were surveyed during April and May 2010 about their experiences and perceptions. GradStaff Incorporated

Graduates

<http://www.gradstaff.com>

GradStaff provides staffing services focusing exclusively on a unique labor pool – the college graduate. Using our proprietary interviewing technique, we invest a considerable amount of time getting to know each candidate and understanding their core skills and attributes. In understanding our candidates better, we then identify exciting employment opportunities that help them combat the often-frustrating “Catch-22” of needing experience, but not finding a job where they can gain that experience. GradStaff offers a unique service, a service that complements and supports the mission of the career services area. Our service focuses on working with new grads to find the right career path for them. We only work with candidates who proactively contact us after learning about us from career services or from our online advertising/job posting efforts. GradStaff does not solicit candidates for positions that are not legitimate, we do not request access to resume books, and we do not sell or farm resumes we receive. Lastly, all costs for our services are paid for by our client companies – graduates who apply with Gradstaff NEVER pay us a fee.

Great American  
Insurance Group  
(American Financial  
Group)

Internships

<http://www.gaic.com>

Great American's Specialty Group offers a wide variety of specialized commercial insurance coverages and services. These specialty insurance products and services are provided through many different business units and subsidiaries. Focus, specialization and accountability are key characteristics to the underwriting success of these operations. The Specialty insurance business is comprised of the following major components: (a) Property and Transportation which includes inland marine and ocean marine, agricultural-related business, commercial automobile and other property lines, (b) Specialty Casualty includes executive and professional liability, umbrella and excess liability, excess and surplus lines, general liability and other targeted casualty lines, (c) Specialty Financial includes fidelity and surety bonds, foreign credit and lender services, and (d) California Worker's Compensation. In addition to the distinct management and underwriting experience within each business unit, the Specialty Group has also formed a strong support team consisting of Claims, Loss Prevention, Underwriting Services and Administration professionals, dedicated exclusively to the business mix and needs. Much of this staff is centrally located in Cincinnati to facilitate optimum communication between the Underwriting and Support staff.

Gresham & Associates

IBX

Internships,  
Graduates

<http://www.ibx.com/index.jsp>

IBX was created and developed by group insurance veterans from such carriers as Unum, Hartford, Standard, Liberty Mutual, Prudential, Guardian, Sun Life and others. Our staff has years of consulting and brokerage experience, allowing us a unique perspective not seen in other organizations. After decades of dealing with an antiquated, resource wasting process, we created our proprietary online RFP process, which includes the innovative IBX IQ System technology, to make the task of negotiating group insurance contracts more efficient for all stakeholders. Since 2007 we have perfected the process on over 750 contracts worth more than \$2 billion in annual premium. IBX is the most efficient way to negotiate, manage and warehouse group insurance contracts.

Progressive Insurance	Graduates	<a href="http://jobs.progressive.com">http://jobs.progressive.com</a>	Want to build your career with a world-class company that is one of Business Week's "Best Places to Launch A Career"? At Progressive, we celebrate risk takers and overachievers. Do you thrive in that kind of an atmosphere? Then come have an adventure with some bright and courageous people! Progressive began in 1937 as a small, regional car insurer in the Cleveland, Ohio area. Over the years, we've grown to become one of the largest car insurers in the country. We're the largest seller of motorcycle and personal watercraft policies and a market leader in commercial auto insurance based on premiums written. Our goal is to become U.S. consumers' #1 choice car insurance. We offer 24-hour, in-person and online services to all personal and commercial auto drivers in the United States. We sell insurance through the Internet ( <a href="http://www.progressive.com">www.progressive.com</a> ) or by phone (1-800-PROGRESSIVE) and through more than 30,000 independent insurance agencies. We're the largest seller of car insurance through independent agents. We're known as an innovator within our industry. We were the first major auto insurer to launch a Web site, the first to offer online comparison rates, and the first to give consumers the ability to buy their insurance online in real time. We were even the first publicly held company to report our underwriting results on a monthly basis.

Rutherford, a Marsh  
and McLennan Agency  
LLC company

Internships

<http://www.rutherford.com>

At Rutherford, our first responsibility is to help reduce your potential for loss. That's part of the comprehensive approach we take at Rutherford. And it's one of the reasons why we've been awarded our client's loyalty since 1916. On March 16, 2010, Rutherford became a Marsh & McLennan Agency LLC company (MMA), which operates independently of parent company Marsh Inc., the world's largest insurance broker. This combination of great companies offers the middle market Rutherford's integrity, industry knowledge and best-in-class customer service with a broader array of capabilities and resources through the MMA network. Our professionals, many of whom have worked as underwriters or corporate risk managers, includes Certified Safety Professionals highly specialized in the industries of a number of our clients. Our service teams constantly scan the insurance horizon for opportunities that might lower a client's costs, reduce exposure to risks, or perhaps improve an employee benefits program. We hold our insurers to rigorous standards. High financial ratings. Proven stability. High ethics. Superior levels of responsiveness. The same things we ask of ourselves. We pride ourselves in our responsiveness and our results.
