

The TERRY PhD

UNIVERSITY OF GEORGIA

Terry Supplemental Application Material

For your application to be considered complete, you must submit all of the material required by the University's Graduate School to the Graduate School. In addition, all of the following items must be submitted to the PhD Program Admissions Office of the Terry College of Business.

Essay Questions

Please submit your response to each of the following questions on a separate sheet of paper. The top of each page should include your name, you social security number, and the essay question restated. Responses must be typed using a font size of 11 or 12 and should be double-spaced. Each response should be as complete as possible while also being concise. Please limit your responses to one page per question using only one side of the paper.

1. Why do you wish to pursue a PhD degree in Business Administration or Economics?
2. Why do you wish to pursue your PhD at the University of Georgia?
3. What experiences have contributed most to your development? What characteristics do you think are most important for a graduate student to develop? Why?
4. What honors or awards have you received (academic, professional, community or other)? What are your major achievements and/or successes?
5. List any other information not covered elsewhere that may be helpful to the Selection Committee in considering your application.

IMPORTANT: The answer to the essay questions must be sent directly to the PhD Program Admission Office at the Terry College of Business at the following address:
