UNIVERSITY OF GEORGIA
Terry College of Business
HIRE ANALYTICS TALENT

We strive to make the hiring process easy and smooth for employers. Georgia Analytics students are taught the hard and soft skills to make them business leaders in the analytics field. Our students are trained to synthesize data, generate insights, and recommend strategies to move organizations forward.

Interim results until MBACSEA employment reporting period ends.
SPONSOR A GEORGIA ANALYTICS CAPSTONE PROJECT

BENEFITS OF SPONSORING A UGA MSBA PROJECT

• A team of 4-6 students focused on new approaches to data-driven decision making
• Cross-disciplinary teams overseen by leading business school faculty
• Opportunities to engage with prospective employees
• Fresh perspectives to generate solutions for business problems
• Full ownership of all intellectual property, data, and deliverables generated by students

“We were really impressed by the approach that was taken [by the Georgia Analytics students], by the clarity of thought, and the overall presentation. We plan to use the approach and the tool that was developed to determine if there is really a ‘standard bus’. Our people at Blue Bird are very excited about this initiative.”
—PHIL TIGUE, CFO, BLUE BIRD CORPORATION (SPRING 2019 CAPSTONE PROJECT)
