ACCOUNTING
BACHELOR OF BUSINESS ADMINISTRATION
Do you want to be a financial analyst, auditor, accountant, financial planner, entrepreneur, or future CFO? Maybe you’re not sure what career is the best fit for you. With accounting, the opportunities are limitless.

Accounting students learn the language and principles of business and problem-solving. Accounting is a stable and growing job field because accountants are an integral part of business in every industry.

**WHY CHOOSE ACCOUNTING?**

**A CAREER WITHOUT LIMITS**

- Strong earning potential
- Work in any industry, anywhere in the world
- Be the trusted expert
- Leverage emerging business technologies
- Lead business decisions
- Speak the language of business
- Solve problems

**THE TULL ADVANTAGE**

**THE TOP 10**

Tull’s accounting programs are consistently ranked among the best in the United States by leading publications, including *U.S. News & World Report*.

**LEADING FACULTY**

Engage with world-class faculty committed to molding students into highly sought-after professionals who will be at the forefront of the accounting field.

**CAREER OPPORTUNITIES**

A Tull degree gives you a distinct career advantage: More than 95% of students are employed within three months of graduation. UGA accounting students have vast opportunities to connect with potential employers. Tull alumni have held or hold positions as the CEO or CFO of The Coca-Cola Company, Coca-Cola Enterprises, Cox Enterprises, Delta Air Lines, Lionsgate, The Cheesecake Factory, Viacom, LeaseQuery, and more.

**WHY CHOOSE ACCOUNTING?**

Accounting students learn the language and principles of business and problem-solving. Accounting is a stable and growing job field because accountants are an integral part of business in every industry.
INTERNSHIPS
While not a requirement of the undergraduate program, many accounting students participate in spring or summer internships. Tull has strong longtime relationships with public accounting firms, private and publicly traded companies, and government agencies that provide internships to allow students to learn firsthand about the field of accounting in a fast-paced work environment. Internships are typically paid and often lead to full-time employment offers.

CAREER SUPPORT
The quickest way to launch your career is to build the right relationships. The UGA accounting program offers you the chance to nurture your relationships through:

- Accounting-specific career fairs
- On-campus recruiting opportunities with a wide variety of employers
- An active Tull alumni network always seeking to connect with fellow graduates
- Ongoing networking opportunities with the extensive Terry College alumni base

ALUMNI NETWORK
A broad alumni network is your best lifelong career asset. Remember, you’re not only joining the Tull network — you’re also joining more than 75,000 Terry College of Business and nearly 350,000 University of Georgia graduates, creating connections wherever your career takes you.

ACCOUNTING BBA/MAcc PROGRAM
Undergraduate accounting majors interested in pursuing a graduate degree are eligible to apply to the 5-year BBA/MAcc program during their senior year. The program allows students to satisfy requirements for both the BBA and MAcc degrees concurrently.

NON-ACCOUNTING BBA/MAcc
Undergraduate students from any major in Terry have the opportunity to complete a Master of Accountancy degree in addition to their non-accounting BBA through our Double Dawg program. This program can also be completed in 5 years.
HAVE A BALL IN THE CLASSIC CITY

Whether you’re a Classic City veteran or have never set foot in Athens, everyone’s in agreement: It’s a great place to live and grow.

THE GEORGIA CAMPUS
All accounting courses are offered on weekdays at the University of Georgia’s beautiful main campus in Athens. Your classes take place on the edge of the university’s historic North Campus, offering classic architecture and towering oaks, all bordering downtown Athens. Classes are held in the state-of-the-art Business Learning Community, located in the heart of a Top 10 Best College Campus in America per Business Insider.

A LIFESTYLE FOR EVERYBODY
Whether you'd rather take a walk through the State Botanical Garden of Georgia or catch a concert at a local venue, Athens has something to meet your interests. Downtown Athens is packed with art galleries, trendy shops, and distinctive dining options. Don’t forget the feeling of being “Between the Hedges” for a Georgia football game. There’s a reason Athens continues to be named one of the best college towns in the country.

A VIBRANT CULTURE
Known for its dynamic blend of arts, culture and music, Athens’ hip vibe was rated the No. 1 College Music Scene in America by Rolling Stone magazine. Its world-famous music venues mix with a modern arts scene and an energetic nightlife — and several times a year, the Classic City hosts diverse festivals that capture the city’s love of local music, food, high-speed cycling races, and Halloween spirit.
