

MASTER OF ACCOUNTANCY (MAcc) PROGRAM OVERVIEW

Our Master of Accountancy program consistently ranks among the nation's best, and for good reason—we educate some of the top financial experts in the field. Our graduates consistently rank among the top schools for first-time pass rates on the Certified Public Accountant exam. The in-depth knowledge and technical focus of our rigorous curriculum is unmatched. As a result, our graduates are highly recruited.

Situated on the University of Georgia's historic and beautiful campus, the Terry College of Business enjoys all the benefits of being a collaborative learning community within a prominent research university. Athens has both small-town charm and a penchant for eclecticism. Since it's just a hop away from Atlanta, UGA students can easily take advantage of the many amenities both cities offer.

Earn Your Graduate Degree in One Year

The MAcc program consists of 30 credit hours, which can be completed in two semesters. You choose your area of specialization:

- Auditing/Systems
- Taxation
- Advisory

MAcc APPLICATION CHECKLIST & TIPS

Apply now! www.terry.uga.edu/macc/admissions

Application & Fee

- You must pay a one-time application fee (via credit card) to the UGA Graduate School online-application
 - \$75 for domestic applicants, \$100 for international applicants
 - You can check your application status by logging back into your account with your PIN/password
 - Apply for summer admission if you wish to earn course credit for a summer internship
 - If admitted, you will be enrolled in a 3 hour course and be required to pay summer tuition
 - Your summer internship must be 8 weeks or longer, working 40 hours per week
 - Notice: All application materials must be submitted by the deadline, including letters of recommendation and unofficial GMAT scores

Required Documents

○ Unofficial Transcript from Institutions You've Attended

- UGA students and alumni may access their unofficial transcript via Athena.
- If admitted, applicants must submit one official transcript from every college/university to UGA's Graduate Admissions office.
- **All applicants must provide a final transcript showing the grades for the semester of courses they are in prior to their matriculation term. For example, if applying to begin the MAcc in January, courses from the fall term need to show a grade and NOT read as "in progress."**

○ GMAT Scores

- Registration and detailed information about the GMAT can be found at www.mba.com.
- Unofficial scores will be reviewed and must be received by the deadline indicated. If granted a recommendation for admission, official scores must be sent to the UGA Graduate School.
 - The MAcc admissions committee can review and make admissions decisions based on an applicant-reported unofficial GMAT score. If admitted, applicants must provide their official scores before classes begin.
- The Graduate School requires applicants to have a minimum score of 500; however, the MAcc program recommends a **minimum score of 550** in order to receive serious consideration. Attainment of this score does not guarantee admission.
- GMAT waivers will only be granted to students who meet the requirements found at terry.uga.edu/macc/gmat. Applicants are responsible for checking their grades to see if they qualify for the waiver. The department will not be responsible for notifying applicants who are ineligible, yet request a waiver.

○ Three Letters of Recommendation

- These individuals should have knowledge of your academic and/or professional capability.
- Two of the required letters of recommendation must be from accounting faculty.
- Recommenders will be notified to complete their letters of support via email as soon as you submit your application.

○ Resume

- One-page resume should be submitted as an attachment to the Graduate School online application.

○ Statement of Purpose

- One-page essay, single or double-spaced, on the topic of "Why do you want to pursue a MAcc degree?" should be submitted as an attachment on the Graduate School online application.

Optional Statement

- If you have additional information or special circumstances you would like the Admissions Committee to be aware of, we encourage you to submit a statement: no more than two pages, single or double-spaced. This is optional and is not required as part of the application to the MAcc Program.
