ALUMNI ENDORSMENT

“FOR YEARS, I WANTED TO PURSUE AN MBA, but as I started to climb the corporate ladder that keen desire felt farther and farther away. Enter UGA’s Professional MBA Program. From the moment I attended the informational session to the handwritten note I received following, I knew this was the place for me. The in-person Saturday program offering allowed me to truly separate work from school and ensure complete focus in my classes, along with building relationships and making lifelong friends that had similar work and life commitments, as well as professional endeavors.”
