Professional Experience

THE UNIVERSITY OF GEORGIA
Athens, Georgia

Special Projects Advisor to the Vice President for Finance & Administration (part-time)

August 2020 - Present

- Provide advisory and support services on various Finance & Administration initiatives including process enhancements and improvements, data strategy, change management training and operational implementation, communications and service standards design and delivery, and organizational and succession planning.
- Partner with Finance & Administration leadership to provide support and assistance as units implement recommendations and efficiency enhancements.

Associate Vice President, Finance Division

February 2015 – July 2020

- Led central accounting and business service units including Accounting, Sponsored Projects Administration Post-Award Accounting, Accounts Payable, Accounts Receivable, Asset Management, Bursar & Treasury Services, Student Accounts, Travel, Payroll, Procurement, IT Support, Mail & Receiving Services, Bulldog Print + Design, Finance & Administration Records Management, Finance Communications, Programs, and Training.
- Provided functional oversight and strategic planning for administrative systems supporting financial, HR/Payroll and student administrative functions.
 - Served on the leadership teams for Finance and HR Administrative Systems and Student Information Systems.
 - Served as the chair of the Administrative Systems Advisory Committee.
 - Co-Chaired the Business Services Advisory Group for business process improvement.
- Set strategic direction for Finance Division and supported Finance Division units in meeting annual and long-term goals.
 - Championed initial use of robotics process automation and other automated solutions to improve back-office operations and efficiencies.
 - Supported the design, development, and deployment of dashboards and metrics visualizations for key performance indicators and evaluation of processing efficiencies and service level agreements.
- Supported Finance & Administration units with special projects and initiatives.

OneSource PeopleSoft Implementation Project

Project Director
Finance Lead

June 2017 – June 2019
July 2016 – June 2017

- Directed and supported a multi-year business transformation project to implement PeopleSoft 9.2 Financials and partnered with the University System to implement PeopleSoft 9.2 Human Capital Management within the OneUSG Connect shared services platform.
- Led 100+ UGA personnel dedicated full and part-time to the project. Coordinated with external implementation consultants and project managers. Supported an institutional group of over 400+ volunteers on the project representing each school, college and unit.
- Coordinated with other UGA administrative system owners and partners to create a data warehouse and associated reporting tools.

Interim Sr. Associate Vice President for Finance & Administration and Budget Director July 2013-February 2015

- Provided leadership for the submission of planning materials and the \$1.4 billion FY2015 operating budget and related capital budgets to the University System Board of Regents (USG). Directed annual budget development processes and managed funding plans and monthly budgetary reviews with senior leadership.
- Sustained responsibility for Associate Vice President and Controller role in overseeing the University's business and accounting service operations and administrative services.
- Worked with the Vice President for Finance & Administration and his leadership team to facilitate the operational responsibilities for all units within Finance and Administration: Auxiliary Services, Campus Architects, Facilities Maintenance, Environmental Safety, Budgets and Business Services, and Human Resources.

- Initiated and managed projects to address business process, communication, and customer service improvements as prioritized by the Vice President's Transition Advisory Team including reviews and recommendations for sponsored projects administration; operational reviews in Auxiliary Services, Facilities Maintenance and Campus Architects; planning for a new financial data repository; and origination of the *Business Services Advisory Group* comprised of the chief fiscal officer of each school, college and major unit who collectively identify cumbersome business processes and design effective and operative solutions.

Associate Vice President and Controller

September 2004-February 2015

- Led the University's accounting, financial reporting, tax, business and administrative service functions in the areas of: Accounting and Financial Reporting, Accounts Payable, Accounts Receivable, Bursar's Office, Contracts and Grants, Procurement, Property Control, Payroll, Global Support, Student Accounts, Fiscal Compliance, IT support, Campus Mail, University Printing & Duplicating, Central Receiving, Insurance & Claims Management and other administrative service functions.
- Collaborated with technical and functional staff on system implementations enhancements and security measures.
- Coordinated University audits with private audit firms, internal auditors, Board of Regents audit staff, State of Georgia audit staff, and various federal auditors.
- Provided leadership and direction to staff providing the accounting, financial reporting, and tax reporting functions for University of Georgia Research Foundation, Inc., UGA Real Estate Foundation, Inc., and the UGA Athletic Association, all 501(c)3 organizations and component units of the University of Georgia.

Director, Bursar's Division

July 1999 – August 2004

- Directed the operations of the Bursar's Office, Student Accounts and Accounts Receivable departments including banking and investments, accounting and reporting functions for \$50 million in loan and endowment funds, and oversight of computer systems for banking, student accounts receivable, financial aid disbursement, and other accounts receivable.
- Collaborated with various University departments such as: the Office of Student Financial Aid, Office of the Registrar, Admissions, University Housing, Food Services and Office of International Education, to develop the Student Account System, implement enhancements and improvements, and provide new service functions for the student body and the University community.
- Monitored compliance with federal, state, and University policies regarding the disbursement of over \$150 million annually in student financial aid and the servicing and collection of a \$10 million student loan portfolio.

Manager, Student Accounts Department

June 1994 - July 1999

- Fiscal administration of \$100 million in student financial aid funds including: federal, private and University trust fund loans; the Georgia Lottery HOPE Scholarship; federal and state grants; agency, endowment and University Foundation Scholarships.
- Supervised a staff of 17 clerical and professional employees. Emphasized quality customer service to students and parents regarding financial aid disbursement, fee payment and deferment, loan servicing and refunds.
- Coordinated the development, implementation, and improvement of multiple computer information systems including: the Federal Direct Subsidized/Unsubsidized and PLUS loan system, loan collection systems, the 1098-T tax reporting system, and file transfer interfaces with the federal Pell Grant reporting system and Georgia Student Finance Commission.

- Managed due-diligence and collection activities for federal Perkins loans, Federal Health Professions Loans, and University trust fund loans.

Accountant II, Bursar's Office

August 1993 – June 1994

- Responsible for the receipt, disbursement, accounting, reconciliation and reporting of grant and scholarship funds including Federal Pell Grant, Georgia Lottery HOPE Scholarship, state and federal grants, UGA Foundation and departmental scholarships, UGA endowment and outside agency scholarships.
- Converted PC-based system to a mainframe system designed for real-time interaction with OASIS (UGA's computerized registration system) to allow students to apply financial aid to their tuition and fee bill.

ARTHUR ANDERSEN & COMPANY **Cincinnati, Ohio**

Senior Staff Accountant, Arthur Anderson & Company

June 1990 – June 1993

- Performed financial audits, reviews, and compilation services for a variety of small business clientele including manufacturing companies, not-for-profit organizations, distributors, hotels, insurance agencies, and construction companies.
- Responsible for audit planning, client coordination, staff supervision, audit testing, work paper review, and staff evaluation.

ERNST & WHINNEY **Jacksonville, Florida**

Audit Intern

June 1988 - December 1988
