

## Staff Representative Group recap from meeting on September 16<sup>th</sup>, 2020

Say hello to our new SRG website!

<https://www.terry.uga.edu/about/staff-representative-group.php>

The Terry SRG website features current officers, staff representatives for each department, our mission and bylaws, and finally, meeting recaps for each month. The 'contact us' feature is a great way to get in contact with SRG if you have questions or concerns. Special thanks to Ed Morales for his key role in orchestrating the creation of our website.

### DawgCheck/COVID-19 updates

- All staff should get into the habit of reporting to DawgCheck each morning, whether they are working on-campus that day or not.
- It is REQUIRED to report a positive test to DawgCheck.
- Make sure to register for the correct Covid test. There are separate tests for those who are asymptomatic and for those with symptoms. Registration is available at this link: <https://www.uhs.uga.edu/healthtopics/coronavirus>
- Useful CDC guidelines that define 'Close Contact' and who should quarantine: <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/quarantine.html>
- ADA accommodations are protected and should not be disclosed to other employees. The employee with ADA accommodation may choose to disclose it with other staff members in the department if they wish.
- Custodial Services has been directed to keep common areas sanitized first and foremost. If you have a request or concerns regarding custodial needs, please contact Chris Williamson.

### Flu Shots
