

TERRY COLLEGE OF BUSINESS MINOR CHECKLIST

The minor in business is considered high-demand, and students may only apply for admission upon meeting entrance eligibility requirements. Please note that meeting these requirements does not guarantee admission to the minor. Fulfillment of all application requirements must be documented in official UGA student record by the application deadline. Use this checklist to determine if you are eligible to apply.

NON-TERRY MAJOR

Intended-Terry and Terry majors are not eligible for this minor.

3.2 UGA/CUMULATIVE GPA

15 SEMESTER HOURS COMPLETED AT UGA

In-progress hours cannot be counted.

45 SEMESTER HOURS COMPLETED OVERALL

Overall hours include earned UGA hours, earned hours at another institution, and earned hours from AP/IB/Placement testing. In-progress hours cannot be counted.

PREREQUISITE COURSES

Students must complete an eligible Accounting (ACCT) and Economics (ECON) course for the business minor. Either an ACCT or ECON course must be completed by the application deadline; the other required course must either be completed or be taken in the same semester in which you apply to the minor. You may use earned AP/IB/transfer credit to satisfy the prerequisite course requirements; however, credit must be posted to your official UGA academic record by the application deadline.

- ACCT 1160 or ACCT 2101
- ECON 2105 or 2106

TEST SCORES

Students are required to submit ACT or SAT scores to the University prior to being considered for admission to the business minor. If you have not taken the ACT or SAT, you must take the ETS Proficiency Profile to be eligible to apply to the business minor. In addition to required ACT/SAT scores, students may also supplement their application by submitting a score from the ETS Proficiency Profile if they believe their ACT/SAT scores do not represent their current performance level.
