

# INSTITUTE FOR LEADERSHIP ADVANCEMENT

# STUDY ABROAD

This spring break, March 1 – March 8, 2025, the ILA program will take 15 students on a study abroad trip to London, England. Guided by ILA faculty, participants will focus on global leadership and discover the vital role of fostering effective communication and collaboration across cultures. Through visits to global companies and interactive workshops, students will gain firsthand insights into navigating complexities in today's interconnected world. Beyond corporate insights, cultural and historical explorations will enrich their understanding of London's dynamic heritage, providing a broader context for their leadership journey.

## ABOUT ILAD5400

- Exploration of the various aspects of business leadership on a global level through a study abroad trip
- Specifically, students will study leadership principles from a global perspective and then apply them to solve real-world problems through a class project

## INTERESTED IN GOING ON THE TRIP?

- Currently, we are only accepting ILA students for this trip
- If you are an ILA student who is interested, please contact Noah Isherwood (Noah.Isherwood@uga.edu)

## INTERESTED IN SUPPORTING A STUDENT ON THIS STUDY ABROAD?

Your support can make a profound impact by enabling students to participate through scholarships. Join us in **empowering the next generation of global leaders** as they embark on this unforgettable education adventure.
