

LEADERS ACADEMY

We make leaders better.

A leader's role is challenging — leading teams and individuals can prove a trying task. UGA's Leaders Academy focuses on the processes and principles that characterize excellence in people management.

Gain the skills and confidence to manage and motivate teams, influence stakeholders, leverage resources, and enhance processes to meet strategic goals. Our program consists of self-assessments, case studies, peer-to-peer learning, and performance-improvement plans you can put into action immediately.

WHY LEADERS ACADEMY?

- Set performance and development goals for others
- Provide usable and constructive performance feedback
- Motivate others to achieve desired results
- Sharpen decision-making and communication skills
- Resolve conflict in a way that promotes performance and personal dignity
- Build team alignment, relationships, and processes
- Guide others successfully through organizational and professional change
