# FACILITIES GUIDELINES AND ROOM RESERVATION POLICIES

---

## RESERVATION REQUESTS

- To request a room in the BLC, submit your request [here](#).
- Room-related questions should be sent to [terryfacilities@uga.edu](mailto:terryfacilities@uga.edu).
- Requests should be made two weeks in advance from when you plan to start promoting your event.
- Be sure to use the Terry-specific link for Terry room reservations — do not use Campus Reservations for BLC room reservations.

## ROOM RESERVATION POLICIES

- Propping doors in BLC classrooms, meeting rooms, conference rooms, event rooms, etc., is strictly prohibited.
- Events scheduled in the Stelling Family Study must be made through Facilities and Special Events at least 30 days before the event.
- Nothing is to be attached to any Terry building surfaces. Adhesives, tapes, or tacks may not be used to secure any signage or material at any time.
- Student organization events in the Stelling Study require the advisor be present for the event. Non-compliance will result in suspended privileges.
- TCOB does not permit student organization events to serve alcohol.
- All BLC rooms must be picked up and cleaned at the end of the meeting/event.
- Notify Facilities ([terryfacilities@uga.edu](mailto:terryfacilities@uga.edu)) of any events serving food at the time of reservation request. Failure to include a request for food may result in an excess room cleaning fee and loss of scheduling privileges.
- All groups must adhere to room occupancy limits.
- Best practices (Recommended by USS):
  - Select one contact from your organization to deal with facilities and management for consistency purposes.

## ROOM CHARGES

- All room reservations will require a ChartString or SpeedType for the associated organization.
- A work order will be submitted to Facilities to assess the cleanliness left at the end of each event. If the room is not left clean, an additional cleaning fee of \$28/hour will be charged to the associated organization.
- Policies and charges are updated regularly and may be evaluated and altered to maintain and clean facilities.
- Failure to pay will result in suspended privileges.

## NON-TERRY ROOM RESERVATIONS

- Registered student organizations can request space through Campus Reservations and should contact them directly via 706-583-8020 or [reserve@uga.edu](mailto:reserve@uga.edu).

## TABLING

Terry student organizations can promote their groups by holding tabling events throughout the semester. Tabling locations include the front porch of Amos Hall, Coca-Cola Plaza, and Foley Courtyard. Student organizations are prohibited from tabling the same day as Terry Majors Orientation. Requests for tabling should be requested via [this link](#).

## ADVISOR GUIDELINES

---

An organization's advisor must be a Terry College of Business faculty member and willing to be an active participant. If organizations would like a new advisor, please reach out to Julia Grant ([julia.grant@uga.edu](mailto:julia.grant@uga.edu)) to express your concerns.

## STUDENT ORGANIZATION CONSTITUTIONS

---

Student organizations are required to update their constitution annually upon re-registering their organization with Engagement, Leadership, and Service (ELS). Constitutions are subject for review by college leadership to ensure organizations are upholding Terry's policies, procedures and expectations. Constitutions should be posted and visible on the organization's active website.

## STUDENT ORGANIZATION WEBSITES

---

Terry lists the websites for all student organizations housed in the college to provide students with a full list of involvement opportunities. Student organizations are provided with a standard website by ELS upon registering; however, organizations may create their own website. If organizations create their own website, the link must be provided to Mandy Thornton ([mandy.thornton@uga.edu](mailto:mandy.thornton@uga.edu)) to ensure the current website is listed on the [Terry student organization page](#).

## USAGE OF UGA LIKENESS

---

Student organizations may use their name in conjunction with "at UGA," "at Georgia," or "at the University of Georgia" for purposes of logo creation, but are not permitted to use the university's academic or athletic logo systems, secondary configurations, or other parts of the visual identity system, including fonts and secondary art. The university registers but does not support or endorse the purposes of student organizations and may not accept responsibility or liability for the activities undertaken by them. Organizations cannot imply they are acting on behalf of the university. To learn more, visit the [University of Georgia's Trademarks page](#).

## USAGE OF TERRY COLLEGE OF BUSINESS LIKENESS

---

Terry houses more than 40 student organizations, but these organizations do not represent the college. Organizations may use their name in conjunction with "at Terry" or "at the Terry College of Business" but are prohibited from falsely speaking as if they represent the college or are acting on behalf of the college. If organizations wish to utilize Terry logos, they must get approval from the Terry College Office of Marketing and Communications.

## CORPORATE ENGAGEMENT POLICY

---

The Terry College seeks to assist Terry student organizations that desire to receive funds from or connect/engage with external corporate sources. In doing so, organizations must complete the [Terry Student Organization Corporate Engagement Form](#). This form can be accessed through the "submissions & feedback" link at the bottom of This Week at Terry. For questions regarding corporate engagement, reach out to Kim Smith ([kimsmith@uga.edu](mailto:kimsmith@uga.edu)) and/or Sharen Phinney ([sphinney@uga.edu](mailto:sphinney@uga.edu)).

## ADVERTISING AND PROMOTION OPPORTUNITIES

### THIS WEEK AT TERRY

This Week at Terry is the weekly e-newsletter shared with Terry undergraduate students, intended business students, and Terry faculty and staff. The newsletter is broken down into Get Connected, Get Hired, and Get Involved. Terry student organizations can share upcoming events and meetings as a calendar row in the Get Involved section by:

- Add event to the [Master Calendar](#) and check for conflicts.
- Protocols for submissions:
  - The deadline to submit requests is Wednesday at noon for the following week's newsletter.
  - Fill out the submission form link, found at the bottom of the newsletter.
  - We will review submissions and respond.
- To be included in the newsletter, events must be open to all Terry students; members-only events will not be included.
- Events are featured as a calendar row, not a graphic. If you would like to promote your meeting or event as a graphic, follow the guidelines for the Casey Commons screen below.

### CASEY COMMONS SCREEN

Terry has reserved a screen in Casey Commons for student organization promotional graphics. Guidelines:

- The deadline for requests is Wednesday by 5 p.m. to be featured the following Monday.
- Include name of organization, event name/topic, event date and time, and a registration link as a QR code in graphic.
- Featured events must be open to all Terry students, not limited to specific major or org members.
  - Please ensure all graphics are sized 3840 x 2160 px to fit the screens correctly.
- Send graphics to be featured on Casey Commons screens to Mandy Thornton ([mandy.thornton@uga.edu](mailto:mandy.thornton@uga.edu)).

## POLICIES

### GRADUATION CORDS

Per the University of Georgia's Office of the President and supported by the Dean of the Terry College of Business, cords, stoles, and other adornment over graduation attire is reserved for students graduating with honors and/or honor society graduates.

Official UGA graduation cords are designated only for highest honors — such as first honors and presidential honors — and military affiliation, including veteran status and ROTC membership. This approach is intended to preserve the tradition at UGA of awarding official cords only to recognize select areas of distinction and accomplishment.

We encourage student groups who wish to pursue recognition to explore pins, certificates, tassel charms, or other such items. Policy initiated: August 2019.

### PROGRAMS AND ACTIVITIES SERVING MINORS

Each program/activity must meet the following minimum requirements: approval, annual registration, background investigations, training, and records retention.

Once program administrators develop and determine content and training appropriate to the program/activity, they must obtain signed approval from their approving official (Vice President/Dean/Director/Department Head) and upload the approval form during the registration process. Registration and approval information is available [here](#).

Program staff who have direct contact with minors must undergo a background investigation before working with minors, including University employees hired before implementation of the Background Investigation Policy. Program staff must also complete required training on Mandated Reporter, Non-Discrimination and Anti-Harassment, and Code of Conduct. Training information is available [here](#).

## POLICIES (CONTINUED)

---

Program/activity administrators, with assistance from department leadership, are responsible for maintaining records in accordance with Board of Regents and UGA policies. Centralized record-keeping at a departmental level is recommended. More information is available [here](#). Please refer to the policy for full details. Failure to comply with the policy requirements will result in disciplinary action as outlined in the policy.

## FINANCIAL INFORMATION

---

Organizations may have an allocated and an agency account, an agency and an outside account, but they cannot have an allocated and an outside account or all three for one student organization.

### ALLOCATED ACCOUNT

Allocated accounts are set up for student organizations established for one year or more and are monitored through the Terry College of Business. The funds in these accounts are provided by the Terry College and have specific spending guidelines (see next page). Allocated funds do not roll over to the next academic year. Funds not spent by the organizations will go back to the college. For any questions regarding your allocated account, contact Mary Evans (mevans@uga.edu). To be eligible for allocated funding, organizations must be open to all Terry or intended business students to join; there can be no required interviews or selective membership processes.

### AGENCY ACCOUNT

Registered student organizations can open an Agency Account in the Student Affairs Business Office (unless the organization receives Student Activity Fee funding through All-Campus Allocations). An Agency Account is an on-campus account where all spending decisions are made by the student organization and the University facilitates the transactions, serves as a custodian of the funds, and ensures USG policies are followed. Income deposited into Agency Accounts is usually generated from membership dues, donations, fundraising activities, or ticket sales. Organizations with Agency Accounts can make deposits in the Business Office in Tate Student Center. These funds can be spent through intra-university charges (such as CRETS or Print & Copy Services), through UGAmart (vendors include Amazon, Staples, and more), with payment requests for vendor invoices, and through reimbursements for individuals.

- More information on [Agency Accounts](#)
- For questions about your agency account, contact Becca Sattler: rbr09101@uga.edu.

### OUTSIDE ACCOUNT

**Outside accounts are not recommended.** These accounts are privately operated accounts created and maintained by the student organizations. Examples include accounts held at Bank of America, Wells Fargo, Capital One, etc. There are no guidelines on spending or limitations on how the funds can be used. Any transactions or deposits made with an outside account cannot be signed off on by a University of Georgia employee. These accounts have no association with the University of Georgia or the Terry College of Business. **If you are an organization that has an outside account, you are prohibited from receiving allocations from the College and cannot have an allocated account held in Terry.**
