YOUR SUPPORT MAKES A DIFFERENCE

THE TERRY EDGE

With access to state-of-the-art facilities, award-winning faculty, unmatched career services, and an alumni network more than 75,000 strong, Terry students are primed for lasting success. That's *The Terry Edge*.

Yet one-third of our students have a documented financial need, which can prevent them from taking full advantage of all the college has to offer. With your support, we can ensure that all students have the tools to learn, then lead.

“This scholarship greatly alleviates my financial stress and helps me focus more on my studies.”

– Nancy Lopez
fourth-year marketing major
