

Student Managed Investment Fund (SMIF) 2023-2024 Information Session Presentation

What is SMIF?

AUM

~\$3.0mm

Funding

Founded in 2007 with an initial gift of \$100,000 from Darren and Pam DeVore

Reached a total gifted amount of \$249,795 through additional gifts from other generous alumni

Contribution by the UGA Foundation of \$750,000 in 2015

Investment Strategy

Long-only, U.S. equity, value-oriented strategy
Driven by strong convictions and rigorous security selection
Performance benchmark S&P 500 Total Return
Currently no fixed income, max cash of up to 5%

Mission

To grow our portfolio as a long-term endowment asset of the Terry College of Business

To provide a hands-on experience in security valuation and portfolio management

To promote Terry and provide networking ties across a variety of different industries

Why SMIF?

Personal Growth

Generating investment ideas and creating stock pitches
Responsible for keeping up with a company in our portfolio,
including giving earnings updates and maintaining a model to be
updated at various points throughout the year
Learning and practicing financial modeling as part of both
stock pitches and assigned holding tasks
Participating in active market discussions, and learning from
various industry professionals throughout the academic year

Real Investing Experience

Offers the opportunity to manage real money for the UGA Foundation
Trades can often exceed \$25,000

Skill Development

Interviewing and recruiting skills, public speaking / presentation skills, financial modeling and formatting, business analysis

Interview Information

Interview Resources https://www.terry.uga.edu/current-students/student-orgs/smif/Wall St. Journal, The Economist, CNBC, Bloomberg, etc.

Technical guides: Breaking into Wall Street (BIWS 400)

Current SMIF Class

Knowledge of SMIF

What do we do? What is our strategy? How much money do we manage? Etc.

Behaviorals

Can you walk me through your resume? WHY SMIF? Career/Internship plans? Strengths/weaknesses?

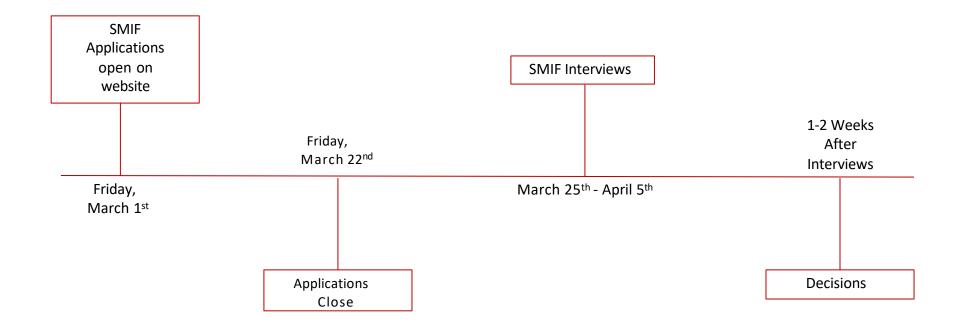

Markets Knowledge

Stock pitch, market events (headline and unique stories), S&P 500/Nasdaq/DJIA, relevant commodities, interest rates, etc.

Technical Knowledge Can you walk me through the 3 financial statements, how do account changes affect the 3 statements? What is a DCF? How does changing inputs affect the valuation output? Public Comps? How do you value an apple tree?
